

Joint Programs run between
Princess Sumaya University for Technology and
The University of Michigan–Dearborn

Princess Sumaya University for Technology (PSUT) announces that applications are now being accepted for joint study programs with the University of Michigan-Dearborn (UMD) in the United States. The details are as follows:

One: Business Management (dual-degree)

2 + 2 Joint Program (Degree certificate from both universities) between PSUT and University of Michigan-Dearborn (UMD) – Business Management major:

The academic degree:-

The student studies two years at PSUT, and two years (may be extended to a third year) at UMD and is eligible for two Bachelor's degrees in Business Management, a degree from each university. The student will also have the opportunity to complete a Master's in one additional academic year.

Stages of the 2 + 2 Program:-

Stage 1: The student studies the first two years (first and second year) at PSUT in accordance with the University's rules and regulations.

Stage 2: The student goes on to study the last two years (third and fourth year) at UMD according to their rules and regulations. This period may be extended for a third year depending on the student's academic status. The course of study leads to the student obtaining two Bachelor's degrees (one from PSUT and one from UMD).

Note: Obtaining the above-mentioned degrees requires the completion of the study plan and meeting the specified conditions.

Requirements for obtaining the degrees:-

1. Complete the program requirements during the first two years by studying (70) credit hours at PSUT according to the attached study plan.
2. Complete the program requirements during the following two years at UMD (extendable for a third year according to the student's academic status). These requirements are (62) credit hours, according to the plan attached herewith.

Admission requirements:-

1. The student is accepted to study the Business Management major at PSUT upon meeting the University's admission requirements. S/he studies the first and second years at PSUT, completing 70 credit hours. The minimum acceptable cumulative GPA in these courses is 70%.
2. Upon completing the conditions stipulated in clause (1) for admission to UMD, the student submits his/her application. The conditions include obtaining an English language proficiency certificate from one of the following tests:

Internet Based TOEFL	80
IELTS	6.5
MELAB	76

3. Meeting the minimum UMD admission requirements does not guarantee acceptance, as the application will be competing with other submitted applications.
4. The student is accepted if he/she is selected for the Pre-Business program.
5. In order to enroll in the Bachelor of Business Management program at UMD, the student must:
 - Complete the requirements of the Bachelor of Business Management program, specified in the appendix.
 - Maintain a minimum GPA of 2.8 in at least four high-level courses taught at UMD including the two courses “Introduction to Operation Management (OM300)” and “Managerial Economics (BE401)”. In addition to passing the requisite course in Writing (COMP 105).
6. After fulfilling the conditions stipulated in clause (5), the student is accepted to the Bachelor of Business Administration program at UMD.
7. Upon completion of the required number of credit hours at UMD, specified in the appendix, the student is granted a Bachelor's Degree in Business Administration from PSUT, after requesting a transcript from UMD and submitting it to PSUT’s Deanship of Admissions and Registration. He/she also receives a Bachelor's Degree in Business Administration (BBA) from UMD, thus obtaining two degrees from two universities.

Tuition fees:

1. The student shall pay the tuition fees at PSUT for the first two years in which he/she studies there.
2. The same tuition fees that are paid by American students from inside the State of Michigan apply to PSUT students, and are payable to UMD.
3. PSUT shall charge the student an annual fee of 750 JOD (seven hundred and fifty dinars) for each year spent by the student at UMD in lieu of admission and registration services, follow-up and course equivalency procedures.
4. The student shall bear all other expenses such as accommodation, travel, visa and health insurance.

Scholarships: PSUT students admitted to UMD will receive a scholarship on the condition that they complete at least (12) credit hours in their first semester at UMD with a minimum GPA of (3.0). In this case, they will receive a partial scholarship in subsequent semesters that will continue until graduation, provided that the student maintains a minimum cumulative GPA of (3.0).

Continuing Graduate Studies: UMD encourages students studying in the 2 + 2 program to continue their postgraduate studies in their chosen disciplines at the university providing they meet the admission requirements.

Withdrawal from study at UMD:-

1. A student who wishes to withdraw from his/her studies at UMD for any reason may return to PSUT to complete his/her studies. The courses he/she studied at UMD will be accredited to the study plan at PSUT.
2. If the student commits any behavior that violates UMD rules and regulations, he/she will be subject to the penalty of removal from the program. PSUT will assess the student’s status to reach decision whether or not he/she should be permitted to continue studying at PSUT.

Regulations and Laws: Students studying at UMD are obliged to abide by Michigan State Residency Laws and UMD rules and regulations. Students are held fully responsible according to the law.

Entry visa to the USA:

- PSUT bears no responsibility for guaranteeing the student a visa to the United States. Visa requirements are as follows:
- An acceptance letter from University of Michigan-Dearborn.
- Get an I-20, the form for international students, in order to obtain an F-1 visa.
- Follow the instructions to obtain a visa.

Health insurance: The student may pay for health insurance either through UMD, or through UMD-accredited insurance companies.

General information on joint programs run between PSUT and the University of Michigan-Dearborn

1. Students who meet the requirements for admission to these programs are enrolled in the First Semester at UMD (Fall Semester).
2. Students who meet the requirements should submit their application to PSUT's Deanship of Admissions and Registration no later than April 20, accompanied by the required documents such as transcripts and English proficiency test results. Students who complete these requirements in the Second Semester may apply and attach a list of the courses they are studying in that semester together with the other required documents.
3. Complete the forms required for admission to UMD, obtained through the Deanship of Admissions and Registration.
4. The partial scholarship received by students who meet the conditions shall be equivalent to approximately 36% of the credit hour fees.

Students wishing to apply for this program are subject to the Resolution taken by the Deans Council at PSUT, which stipulates the following:

The student who wishes to join a program run jointly with any of the partnering American universities will be charged a sum of JD 1000 upon application. This sum will be used as follows:

- In case of the student being accepted, the entire sum shall be deducted from the amount all semester registration fees, according to the prevailing rules and regulations at the time. The remainder, if any, shall be accredited to the student's account.
- The full amount will be returned to the student in case he/she is not accepted.

500 JOD will be deducted if the student is accepted to the program but fails to enroll for any reason.

The cost of studying for a Bachelor's degree in Business Administration at UMD:

Item charged	Fees (US Dollars)
Tuition fees (15 credit hours)	13,962
Discount on tuition fees (for those who receive a partial scholarship)	4,886
Semester service fees	342

The cost of studying for a Master's degree in Business majors at UMD:

Item charged	Fees (US Dollars)
Tuition fees (9 credit hours)	11,744
Discount on tuition fees (for those who receive a partial scholarship)	3,498
Semester service fees	342

*Special Topic 33409	

*Special Topics will give the student a chance to choose a course in Business which is not part of our study plan.

Two: 3 (PSUT) + 2 (UMD) Joint Program in School of Business majors

Academic degrees:

The student studies three years in the Bachelor of Business Administration program at PSUT, and two years (may be extended for a third year) at UMD according to a specific plan and conditions that qualify him/her to obtain a Bachelor's degree in the specialization from PSUT. He/she is then eligible to receive a Bachelor's degree in the chosen discipline from PSUT as well as a graduate degree from UMD in one of the following:

- Master of Business Administration (MBA)
- Master of Science in Accounting (MS-A)
- Master of Science in Finance (MS-F)
- Master of Science in Supply Chain Management (MS-SCM)
- Master of Science in Business Analysis (MS-BA)
- Master of Science in Information Systems (MS-IS)

In this way, the student cuts one year from the period of study required for the Master's degree.

Stages of the 3 + 2 Program:

Stage 1: The student studies the first three years of the undergraduate program at PSUT in accordance with the University's rules and regulations.

Stage 2: The student goes on to study the fourth year of the undergraduate program at UMD according to their rules and regulations. The course of study leads to the student obtaining a Bachelor's degree from PSUT. The fourth year may include some Master's degree courses.

Stage 3: The student studies the fifth year at UMD in the Master's program, according to its rules and regulations, leading to the student obtaining a Master's degree from UMD. Thus, the student reduces one year from the period of study required for the Master's degree.

Note: Obtaining the above-mentioned degrees requires the completion of the study plan and meeting the specified conditions.

Requirements for obtaining the degrees:

1. Meet the program requirements during the first three years of study at PSUT by successfully completing a minimum of 105 credit hours.
2. Completion of the PSUT undergraduate degree requirements, which involves studying the remaining courses in the PSUT study plan during the fourth year at UMD. These courses will be accredited by PSUT before the student travels to the USA, at which point the Bachelor's degree in the chosen discipline will be granted by PSUT.
3. Completion of the requirements for obtaining the Master's degree at UMD during the fifth academic year (may be extended for a sixth year).

Entry requirements:

Stage one: The student studies the first three years of the undergraduate program at PSUT: The student must first be accepted to the Business Management program at PSUT after meeting the acceptance requirements.

Stage two: The student goes on to study the fourth year of the undergraduate program in the major at UMD after meeting the following conditions:

1. Completing all required courses during the first three years spent at PSUT, by studying a minimum of (105) credit hours and achieving a minimum cumulative average of 70%.

2. Achieving the English language proficiency requirements required for admission to the UMD Master's program as laid forth in the subsequent paragraphs (Stage three).
3. PSUT submits the applications to UMD on behalf of the students who have fulfilled the conditions to move on to stage two at UMD.
4. Meeting the minimum UMD admission requirements does not guarantee acceptance, as the application will be competing with other submitted applications.

Stage three: Studying the Master's program at UMD:

1. The student must first obtain the undergraduate degree from PSUT.
2. The student should have a minimum cumulative GPA of (3.0) for the courses studied in the fourth year at UMD, which should represent at least 12 credit hours.
3. Obtain an English proficiency certificate based on the following scores in one of the following exams:

Internet based TOEFL	84
IELTS	6.5
MELAB	80

4. A minimum score of 550 in the GMAT or an equivalent score in the GRE (Aptitude Exam).
5. The application showing that the above conditions have been met should be submitted for evaluation by UMD, according to that university's acceptance conditions and criteria.
6. Meeting the minimum UMD admission requirements does not guarantee acceptance, as the application will be competing with other submitted applications.

Tuition fees:

1. The student shall pay the tuition fees at Princess Sumaya University for Technology for the first three years in which he/she studies at PSUT.
2. During the course of study at UMD, the student will pay the same tuition fees that are paid by American students from inside the State of Michigan, and these are payable to UMD.
3. PSUT shall charge the student an annual fee of 750 JOD (seven hundred and fifty dinars) for the fourth year spent by the student at UMD in lieu of admission and registration services, follow-up and course equivalency procedures.
4. The student shall bear all other expenses such as accommodation, travel, visa and health insurance.

Scholarships: PSUT students admitted to UMD will receive a scholarship on the condition that they complete at least (12) credit hours in their first semester at UMD with a minimum GPA of (3.0). In this case, they will receive a partial scholarship in the second semester that will continue until graduation, provided that the student maintains a minimum cumulative GPA of (3.0).

Continuing Graduate Studies: UMD encourages students studying in the 3 + 2 program to continue their postgraduate studies at doctorate level in their chosen disciplines.

Withdrawal from study at UMD:

1. A student who wishes to withdraw from his/her studies at UMD for any reason may return to PSUT to complete his/her studies. The courses he/she studied at UMD will be accredited to the study plan at PSUT.
2. If the student commits any behavior that violates UMD rules and regulations, he/she will be subject to the penalty of removal from the program. PSUT will assess the student's status to reach decision whether or not he/she should be permitted to continue studying at PSUT.

Regulations and Laws: Students studying at UMD are obliged to abide by Michigan State Residency Laws and UMD rules and regulations. Students are held fully responsible according to the law.

Entry visa to the USA: PSUT bears no responsibility for guaranteeing the student a visa to the United States. Visa requirements are as follows:

- An acceptance letter from University of Michigan-Dearborn.
- Get an I-20, the form for international students, in order to obtain an F-1 visa.
- Follow the instructions to obtain a visa.

Health insurance: The student may pay for health insurance either through UMD, or through UMD-accredited insurance companies.

Three : Computing majors

Joint Program 3 (PSUT) + 2 (UMD) (degree certificates from both universities) between Princess Sumaya University for Technology (PSUT) and University of Michigan-Dearborn UMD)) in Computing majors

The academic degree: The student studies three years at PSUT, and two years (may be extended to a third year) at UMD. Upon completion of the study plan and meeting the set conditions, the student is eligible for a Bachelor's degree in a Computing major from PSUT, and a Master's degree in a Computing major from UMD.

Stages of the 3 + 2 Program:

Stage one: The student studies the first three years of the undergraduate program at PSUT, according to the rules and regulations of the University.

Stage two: The student goes on to study the fourth year of the undergraduate program in the major at UMD according to the rules and regulations of that university. The student is then eligible to receive the Bachelor's degree from PSUT.

Stage three: The student goes on to study the fifth year at UMD in accordance with its rules and regulations, leading to the student obtaining a Master's degree from UMD. Thus, the student reduces one year from the period of study required for the Master's degree.

Note: Obtaining the above degrees requires the fulfillment of the study plan and the specified conditions.

Requirements for obtaining the degrees:

1. Complete the program requirements during the first three years spent at PSUT, by studying at least 105 credit hours.
2. Completion of the PSUT undergraduate degree requirements, which involves studying the remaining courses in the PSUT study plan during the fourth year at UMD. These courses will be accredited by PSUT before the student travels to the USA, at which point the Bachelor's degree in the chosen discipline will be granted by PSUT.
3. Completion of the requirements for obtaining the Master's degree at UMD during the fifth academic year (may be extended for a sixth year).

Entry requirements:

Stage one: Study of the first three years of the Bachelor's degree at PSUT:

The student must first be accepted to study a Computing discipline at PSUT after meeting the University entry requirements.

Stage two: The student studies the fourth year of the undergraduate program at UMD.

1. Complete all required courses during the first three years spent at PSUT, by studying a minimum of (105) credit hours and achieving a minimum cumulative average of 80%.
2. Achieve the English language proficiency requirements needed for admission to the UMD Master's program, as put forth in the subsequent paragraphs (Stage three).
3. PSUT submits the applications to UMD on behalf of the students who have fulfilled the conditions to move on to stage two at UMD.
4. Meeting the minimum UMD admission requirements does not guarantee acceptance, as the application will be competing with other submitted applications.

Stage three: Studying the Master's program at UMD:

1. The student must first obtain the undergraduate degree from PSUT.
2. The student's acceptance to the Master's program depends upon his/her results from the fourth year (first year of study at UMD).
3. Obtain an English proficiency certificate based on the following scores in one of the following exams:

Internet based TOEFL	84
IELTS	6.5
MELAB	80

4. The application, showing that the above conditions have been met, should be submitted for evaluation by UMD, according to that university's acceptance conditions and criteria.
5. Meeting the minimum UMD admission requirements does not guarantee acceptance, as the application will be competing with other submitted applications.

Tuition fees:

1. The student shall pay the tuition fees at Princess Sumaya University for Technology for the first three years in which he/she studies at PSUT.
2. During the course of study at UMD, the student will pay the same tuition fees that are paid by American students from inside the State of Michigan, and these are payable to UMD.
3. PSUT shall charge the student an annual fee of 750 JOD (seven hundred and fifty dinars) for the fourth year spent by the student at UMD in lieu of admission and registration services, follow-up and course equivalency procedures.
4. The student shall bear all other expenses such as accommodation, travel, visa and health insurance.

Scholarships: PSUT students admitted to UMD will receive a scholarship on the condition that they achieve a minimum cumulative average of 80% during the first three years of study at PSUT. In this case, they will receive a partial scholarship to cover approximately 40% of tuition fees. This scholarship will continue until the student graduates (both undergraduate and Master's), provided that the student maintains a minimum cumulative GPA of (3.0).

Continuing Graduate Studies: UMD encourages students studying in the 3 + 2 program to continue their postgraduate studies at doctorate level in their chosen disciplines.

Withdrawal from study at UMD:

1. A student who wishes to withdraw from his/her studies at UMD for any reason may return to PSUT to complete his/her studies. The courses he/she studied at UMD will be accredited to the study plan at PSUT.
2. If the student commits any behavior that violates UMD rules and regulations, he/she will be subject to the penalty of removal from the program. PSUT will assess the student's status to reach decision whether or not he/she should be permitted to continue studying at PSUT.

Regulations and Laws: Students studying at UMD are obliged to abide by Michigan State Residency Laws and UMD rules and regulations. Students are held fully responsible according to the law.

Entry visa to the USA: PSUT bears no responsibility for guaranteeing the student a visa to the United States. Visa requirements are as follows:

An acceptance letter from University of Michigan-Dearborn.

Get an I-20, the form for international students, in order to obtain an F-1 visa.
Follow the instructions to obtain a visa.

Health insurance: The student may pay for health insurance either through UMD, or through UMD-accredited insurance companies.

General information on joint programs run between PSUT and the University of Michigan-Dearborn

1. Students who meet the requirements for admission to these programs are enrolled in the First Semester at UMD (Fall Semester).
2. Students who meet the requirements should submit their application to PSUT's Deanship of Admissions and Registration no later than April 20, accompanied by the required documents such as transcripts and English proficiency test results. Students who complete these requirements in the Second Semester may apply and attach a list of the courses they are studying in that semester together with the other required documents.
3. Complete the forms required for admission to UMD, obtained through the Deanship of Admissions and Registration.
4. The partial scholarship received by students who meet the conditions shall be equivalent to approximately 40% of the credit hour fees.
5. Students wishing to apply for this program are subject to the Resolution taken by the Deans Council at PSUT, which stipulates the following:
The student who wishes to join a program run jointly with any of the partnering American universities will be charged a sum of JD 1000 upon application. This sum will be used as follows:
6. In case of the student being accepted, the entire sum shall be deducted from the amount all semester registration fees, according to the prevailing rules and regulations at the time. The remainder, if any, shall be accredited to the student's account.
7. The full amount will be returned to the student in case he/she is not accepted.
8. 500 JOD will be deducted if the student is accepted to the program but fails to enroll for any reason.

The cost of studying for a Bachelor's degree in Computing majors at UMD:

Item charged	Fees (US Dollars)
Tuition fees (15 credit hours)	12,462
Discount on tuition fees (for those who receive a partial scholarship)	4,886
Semester service fees	413

The cost of studying for a Master's degree in Computing majors at UMD:

Item charged	Fees (US Dollars)
Tuition fees (15 credit hours)	10,673
Discount on tuition fees (for those who receive a partial scholarship)	3,498
Semester service fees	413

Four: Engineering majors

Joint Program 4 (PSUT) + 2 (UMD) (degree certificates from both universities) between Princess Sumaya University for Technology (PSUT) and University of Michigan-Dearborn UMD)) in Engineering disciplines

The academic degrees: The student studies four years at PSUT, and two years (may be extended to a third year) at UMD. Upon completion of the study plan and meeting the set conditions, the student is eligible for a Bachelor's degree in an Engineering major from PSUT, and a Master's degree in an Engineering major from UMD.

Stages of the 4 + 2 Program:

Stage one: The student studies the first four years of the undergraduate program at PSUT, according to the rules and regulations of the University.

Stage two: The student goes on to study the fifth year of the undergraduate program at UMD according to the rules and regulations of that university. The student is then eligible to receive the Bachelor's degree from PSUT.

Stage three: The student goes on to study the sixth year at UMD in accordance with its rules and regulations, leading to the student obtaining a Master's degree from UMD. Thus, the student reduces one year from the period of study required for the Master's degree.

Note: Obtaining the above-mentioned degrees requires the fulfillment of the study plan and meeting the specified conditions.

Requirements for obtaining the degrees:

1. Complete the program requirements during the first four years spent at PSUT, by studying at least 132 credit hours.
2. Completion of the PSUT undergraduate degree requirements, which involves studying the remaining courses in the PSUT study plan during the fifth year at UMD. These courses will be accredited by PSUT before the student travels to the USA, at which point the Bachelor's degree in the chosen discipline will be granted by PSUT.
3. Completion of the requirements for obtaining the Master's degree at UMD during the sixth academic year (may be extended for a seventh year dependent upon the student's academic status).

Entry requirements:

Stage one: Study of the first four years of the Bachelor's degree at PSUT:

The student must first be accepted to study an Engineering discipline at PSUT after meeting the University entry requirements.

Stage two: The student studies the fifth year of the undergraduate program at UMD.

1. Complete all required courses during the first three years spent at PSUT, by studying a minimum of (132) credit hours and achieving a minimum cumulative average of 80%.
2. Achieve the English language proficiency requirements needed for admission to the UMD Master's program, as put forth in the subsequent paragraphs (Stage three).
3. PSUT submits the applications to UMD on behalf of the students who have fulfilled the conditions to move on to stage two at UMD.

4. Meeting the minimum UMD admission requirements does not guarantee acceptance, as the application will be competing with other submitted applications.

Stage three: Studying the Master's program at UMD:

- The student must first obtain the undergraduate degree from PSUT.
- The student's acceptance to the Master's program depends upon his/her results from the fifth year (first year of study at UMD).
- Obtain an English proficiency certificate based on the following scores in one of the following exams:
 - Internet based TOEFL 84
 - IELTS 6.5
 - MELAB 80
- The application, showing that the above conditions have been met, should be submitted for evaluation by UMD, according to that university's acceptance conditions and criteria.

5. Meeting the minimum UMD admission requirements does not guarantee acceptance, as the application will be competing with other submitted applications.

Tuition fees:

1. The student shall pay the tuition fees at Princess Sumaya University for Technology for the first four years in which he/she studies at PSUT.
2. During the course of study at UMD, the student will pay the same tuition fees that are paid by American students from inside the State of Michigan, and these are payable to UMD.
3. PSUT shall charge the student an annual fee of 750 JOD (seven hundred and fifty dinars) for the fifth year spent by the student at UMD in lieu of admission and registration services, follow-up and course equivalency procedures.
4. The student shall bear all other expenses such as accommodation, travel, visa and health insurance.

Scholarships: PSUT students admitted to UMD will receive a scholarship on the condition that they achieve a minimum cumulative average of 80% during the period of study at PSUT. In this case, they will receive a partial scholarship to cover approximately 40% of tuition fees. This scholarship will continue until the student graduates (both undergraduate and Master's), provided that the student maintains a minimum cumulative GPA of (3.0).

Continuing Graduate Studies: UMD encourages students studying in the 4 + 2 program to continue their postgraduate studies at doctorate level in their chosen disciplines.

Withdrawal from study at UMD:

1. A student who wishes to withdraw from his/her studies at UMD for any reason may return to PSUT to complete his/her studies. The courses he/she studied at UMD will be accredited to the study plan at PSUT.
2. If the student commits any behavior that violates UMD rules and regulations, he/she will be subject to the penalty of removal from the program. PSUT will assess the student's status to reach decision whether or not he/she should be permitted to continue studying at PSUT.

Regulations and Laws: Students studying at UMD are obliged to abide by Michigan State Residency Laws and UMD rules and regulations. Students are held fully responsible according to the law.

Entry visa to the USA: PSUT bears no responsibility for guaranteeing the student a visa to the United States. Visa requirements are as follows:
An acceptance letter from University of Michigan-Dearborn.
Get an I-20, the form for international students, in order to obtain an F-1 visa.
Follow the instructions to obtain a visa.

Health insurance: The student may pay for health insurance either through UMD, or through UMD-accredited insurance companies.

**General information on joint programs run

Students who complete these requirements in the Second Semester may apply and attach a list of the courses they are studying in that semester together with the other required documents.
3. Complete the forms required for admission to UMD, obtained through the Deanship of Admissions and Registration.
4. The partial scholarship received by students who meet the conditions shall be equivalent to approximately 40% of the credit hour fees.
5. Students wishing to apply for this program are subject to the Resolution taken by the Deans Council at PSUT, which stipulates the following:
The student who wishes to join a program run jointly with any of the partnering American universities will be charged a sum of JD 1000 upon application. This sum will be used as follows:
6. In case of the student being accepted, the entire sum shall be deducted from the amount all semester registration fees, according to the prevailing rules and regulations at the time. The remainder, if any, shall be accredited to the student's account.
7. The full amount will be returned to the student in case he/she is not accepted.
8. 500 JOD will be deducted if the student is accepted to the program but fails to enroll for any reason.
