RESEARCH PROFILE

Dr. Mohammed M. Al-Arabi is a multidisciplinary expert specializing in policy, governance, and strategic research on social inclusion and security. He conducts evaluations that inform policy decisions, political engagement, and social inclusion strategies, generating actionable policy insights for governments, civil society, and international organizations. His expertise spans research methodology, impact assessment, and participatory evaluation frameworks, producing applied policy recommendations. He integrates academic research with consulting practice, leading policy-oriented studies and strategic communication projects in Jordan and across the MENA region.
