C. Teaching Innovation and Recognition

Describe any significant new course/program development, use of innovative pedagogical methods (e.g., simulations, blended learning, use of case study method), and list any teaching awards.

Change Management Course: The course is based entirely on a Change and Organizational Development Case Study. Where students have to write a report after conducting primary market research to explore the Change Journey in a local company.

In addition, they need to prepare a presentation to discuss the organizational development and change that occurred within an international organization.

What's more, the instructor discusses the textbook cases to provide students with rich exposure.

IV. Research and Intellectual Contributions (IC)

A. Peer Reviewed Journal Publications

Classify your intellectual contributions (IC) into the three categories: Disciplinary/Basic Scholarship (DS), Applied/Practice-Oriented Scholarship (AS), and Pedagogic Scholarship (PS). ERS (Ethics, Responsibility, and Sustainability)
