Advance your career through a flexible, executive-friendly schedule.

Build powerful, cross-sector connections with high-caliber professionals.

Tackle global business challenges with strategic clarity and foresight.

Transform as a leader through a purposeful growth journey.

Lead with vision, presence, and executive authority.

Leadership Voices - Insights From Cohort One

This program exemplifies excellence through its distinguished faculty, exceptional participants, and flawless execution—truly designed for leaders who demand the best

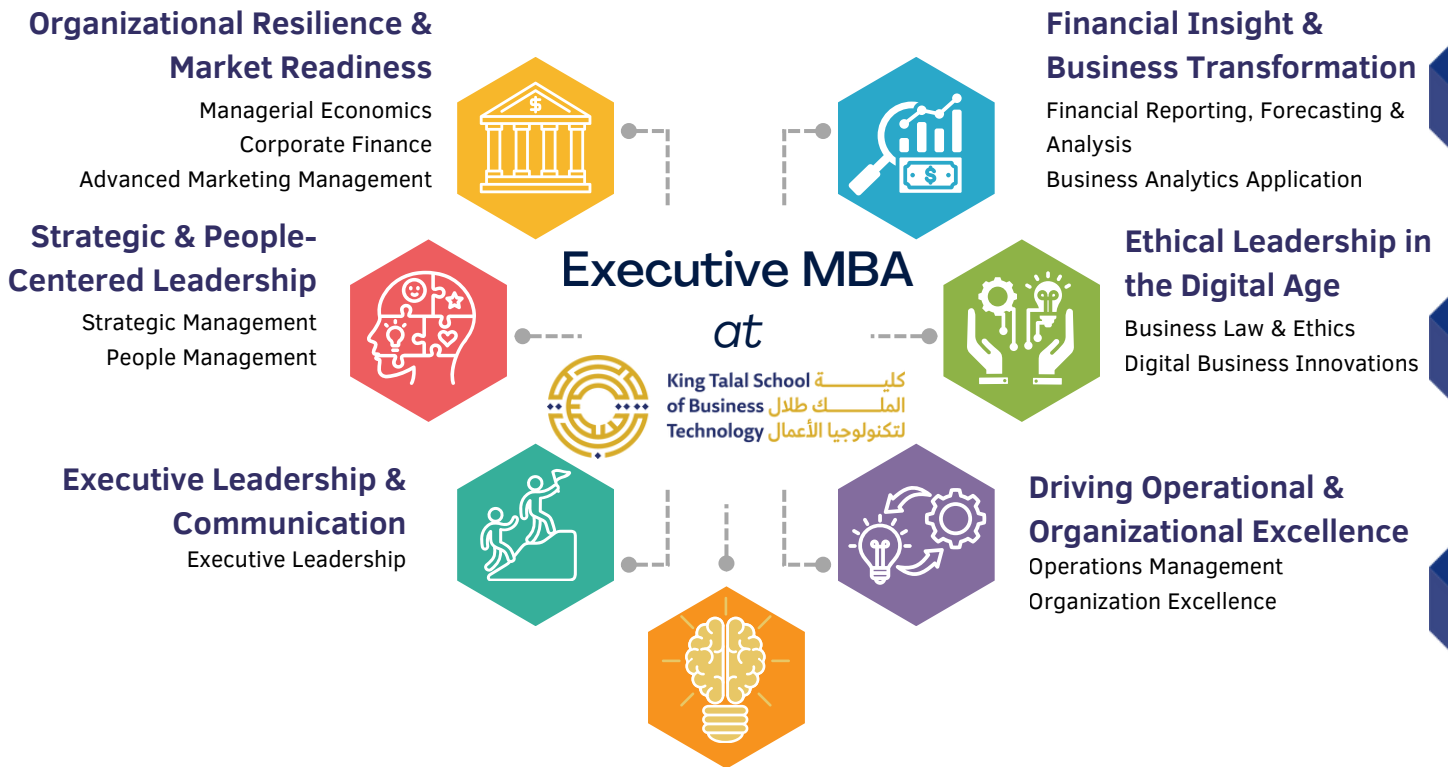

Ali Al-Tameemi

Founder & CEO of Al-Thuraya Pharma Group

Leading healthcare access and ethical pharmaceutical distribution across Iraq since 1994.

PROGRAM DESIGN

A Framework For Excellence

In the **Executive Project**, participants solve real challenges for Jordanian businesses —applying course concepts to deliver actionable, strategic recommendations.

The KTSBT Executive MBA curriculum is built around **six core themes** designed to develop adaptive, forward-thinking leaders. Each course cluster addresses critical areas in modern executive leadership—blending theory with real-world application.

Leadership Voices - Insights From Cohort One

The Executive MBA at PSUT has been a valuable experience, expanding my knowledge in leadership, strategy, innovation, and finance. What truly sets it apart is the care and dedication of the faculty and leadership. The opportunity to learn from top-tier guest speakers from business, government, and beyond added a unique, real-world dimension to our journey. I'm proud to be part of this program and highly recommend it to aspiring leaders.

Yazan Sabelaish

Area Director of Hotel Technology Services – Middle East, Four Seasons Hotels & Resorts
Veteran tech leader in luxury hospitality, driving innovation across the Middle East.

ENTREPRENEURSHIP ECOSYSTEM

At Princess Sumaya University for Technology

PSUT's Executive MBA is embedded in a thriving entrepreneurship ecosystem that supports innovation at every stage. From early idea mentorship to startup incubation, expert coaching, and tech enablement, this ecosystem empowers participants to lead, launch, and scale impactful ventures.

Leadership Voices - Insights From Cohort One

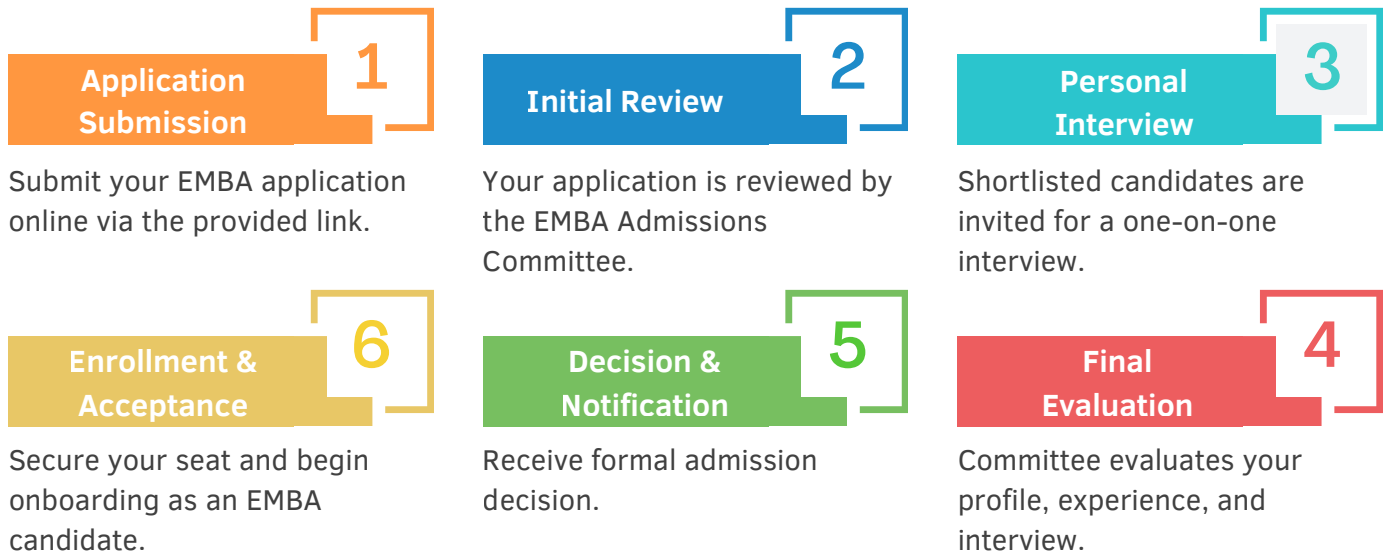

In 2024, I joined the Executive MBA program at Princess Sumaya University for Technology, an exceptional interactive and forward-thinking program that has significantly enriched my strategic perspective and leadership skills. The courses are carefully selected and expertly designed to address real-world business challenges, blending academic rigor with practical insights. I highly recommend it to professionals seeking to elevate their executive capabilities in a dynamic and technology-driven business environment.

Ayman Alawna

Senior Executive in Pharmaceutical Strategy & Operations – MENA Region
Veteran pharma executive in MENA, leading growth and transformation across complex markets.
