C. Teaching Innovation and Recognition

Describe any significant new course/program development, use of innovative pedagogical methods (e.g., simulations, blended learning, use of case study method), and list any teaching awards.

As a lecturer in the Principles of Finance course, I deliver blended learning sessions that combine online and face-to-face instruction, allowing students to engage with content flexibly. I integrate real-life examples and case studies into my lectures, helping students connect theoretical financial concepts to practical applications. This approach enhances students' understanding of finance and prepares them for real-world decision-making.
